BRAINERD, MINNESOTA, WEDNESDAY, MAY 4, 1921

Price Three Cents

## JUDGE LANDIS WILL RESIGN FROM SEAT ON BENCH

AND GIVE ALL HIS TIME TO POSITION AS BASEBALL COMMISSIONER

(By United Press)

Chicago, May 4—K. M. Landis will give up his job as judge of the federal court here in order to devote all his time to his position as high baseball commissioner. His resignation, according to present indications, will take effect early in June.

It has long been known among Judge Landis' friends that he would give up the bench. Since the attack was made on him in congress because of the fact that he held two positions, the judge has planned to quit the court. He would not quit under fire, however, and would not leave while impeachments proceedings were pending.

With the resignation of Judge Landis the federal court will lose one of the most picturesque characters.

## Bill Aimed at Landis Invokes Others

Washington, May 4—Senator Dial's bill to prevent federal judges accepting any other employment for pay has begun to produce many amendments aimed at other public officials. Senator Kenyon today introduced one prohibiting members of congress from doing any outside work for which they receive any sort of compensation. It would also prevent them being directors of corporations or having any connection with business concerns.

## Austria Will Deliver Industries to Foreigners

(By United Press)

Washington, May 4—Austria, failed in an attempt to get out of chancery by the receivership route, now proposes to deliver all her industries to foreigners providing they will come in and run them, a consular report to the department of commerce revealed today.

The Vienna government has decreed that Austrian corporations may transfer the entire business to foreign companies. About the only stipulation made is that real estate must remain in Austria.

France stands in the way of Austrian union with Germany, but practical effects of this decree will be economic union of the two Teuton countries, it is believed.

## Wages Prevent Settlement Working Conditions Agreed

(By United Press)

Washington, May 4—With differences of working conditions practically adjusted, the wage controversy today threatens to defeat efforts to mediate in the seamen's strike.

The men are holding out against any reduction of wages and ship owners and Admiral Benson, chairman of the shipping board, also refuses to yield.

Secretary of Labor Davis today conferred with the seamen's representatives and then talked with Benson.

## St. Paul Man Is Arrested For Bigamy

(United Press)

St. Paul, May 4—Wm. A. Nolton was arraigned today on charges of bigamy brought by Stella T. Nolton, who said he married Genevieve Schaefer April 25.

Counsel for Nolton said he had made a verbal agreement with his first wife to renounce all claims to him. He said the second marriage followed. Nolton and his first wife have two children.

## Unable to Support Himself, Charged With Non-Support

(United Press)

St. Paul, May 4—"I cannot support myself even," Abraham Smith told Judge Barner today.

"I am not strong enough to pick a nickel from the ground."

Prosecutor Anderson offered to test Smith's ability with a quarter. The court overruled. Smith was charged with non-support of his wife. Hearing was set for Saturday.

ADRIENNE BOLLAND

Mme. Adrienne Bolland, famous French aviatrice, who flew across the Andes mountains from Mendoza, Argentina, to Chili, recently. She is the first woman to perform this feat.

## HOME AND APARTMENT BUILDING IS BOOMING IN U. S.

REPORTS THE FEDERAL RESERVE BOARD—LOWER RENTS EXPECTED AS RESULT

(United Press)

Washington, May 4—Building of home and apartments is beginning to boom generally throughout the United States, according to reports to the federal reserve board. A reduction in the level of rents will be the certain result from relief of the housing shortage, it was said today.

This does not mean that rents will drop immediately. The nation is now five years behind its normal building program and approximately 1,250,000 dwellings short, according to data collected by the government. This shortage cannot be restored in a few months. But the sooner building contractors begin to eat away the housing congestion by increasing construction the sooner will relief come to American families' pocketbooks, it was found out.

## Mrs. Stillman Only Woman Present at Divorce Proceedings

Games Today

New York, May 4—Mrs. Anne U. Stillman was the only woman attending the renewal of her husband's divorce proceedings today in the bar association room here.

A large number of lawyers who are taking part in the fight of James A. Stillman, former head of the National City bank, to divorce his wife and denounce her youngest son, Guy Stillman, were in the room when Mrs. Stillman entered. She nodded to a group of newspaper men as she passed through the hall with a man whose name was not given.

Stillman himself was not present at the opening of the hearing.

## St. Paul Young Lady Is Thrown From Horse; Killed

(United Press)

St. Paul, May 4—Thrown from a spirited horse, Miss Catherine F. Nolan, 22, suffered a fractured skull late Tuesday, and died last night.

## Mankato Gets Convention Holstein Breeders' Assn.

(United Press)

Faribault, May 4—Mankato captured the 1922 state convention of the Holstein breeders' association.

After five hundred business men and citizens of Mankato had stormed Faribault early yesterday the convention voted to meet there next year.

## Thieves Steal Auto, Catches Fire, Burns

Minneapolis, May 4—Automobile thieves had gone only one block with Bob Labovitz's car when it caught fire and was destroyed.

## Experts Favor Repeal of Excess Profits Tax

(United Press)

Pinehurst, N. C., May 4—Repeal of the excess profits tax is favored by a group of one thousand leading financial and industrial experts, according to an economic survey drawn by John S. Drum, president of the American Bankers' association, and presented to the executive council of the association here today.

A majority of these men are favorable to a sales tax, while nearly all oppose cancellation of the allied debt to the United States. The survey accompanied Drum's annual report.

A composite survey of answers to the principal questions submitted by Drum follows:

1—Sentiment virtually unanimously in favor of repeal of the excess profits tax.

2—Considerable majority favor a sales tax.

3—A great majority oppose cancellation of the allied debt to the U. S.

4—Interest rates will remain stationary this year.

5—Cancellation of contracts because of falling prices has produced a serious situation although problems are less serious now than in the fall and winter of 1920.

6—Manufacturers and exporters will resume an effort toward stirring up foreign business.

## Nothing Wrong With the American Girl

(By United Press)

Washington, May 4—There is nothing wrong with the modern American girl. There is nothing wrong or immoral about her short skirts and cigarette smoking.

Such is the conclusion of Dr. Bruno Roselli, first American exchange professor now teaching in Vassar college.

"I can honestly say that I find her a far more satisfactory product than her European sister. She has the courage of her convictions, and is helpful physically and mentally."

## Charged With Abandoning Baby

(By United Press)

Minneapolis, May 4—Mrs. Ed Johnson, of Minot, N. D., was enroute home today with her baby.

She was brought before Judge Montgomery to answer charges of abandoning her child. She said she came here several months ago and a short time later her child was born. Illness followed and she was unable to care for the baby she said, so she deserted it. Her husband, Ed Johnson, accompanied her to court. The judge permitted them to take the child to Minot.

## Legislative Committees Named by Speaker

(United Press)

St. Paul, May 4—Legislative committees that are to serve until the next session on education, tax and judicial investigation and the proposal to establish a state owned cement plant, were named by Speaker Nolan today.

## STRIKERS TIE UP THREE INDUSTRIES IN CHICAGO TODAY

3,000 LUMBER FINISHERS OUT,  
AND 4,000 PRINTERS—STOCK  
YARDS STRIKE BROKEN

(United Press)

Chicago, May 4—Strikes in Chicago resulted in a tieup of three industries today.

Three thousand employees of the lumber finishing plants walked out when a cut in wages of 35 cents an hour was announced.

The entire building construction was at a standstill due to lockouts of builders in an attempt to force workers to accept a cut in wages.

About four thousand printers employed in job plants were out here in connection with the nation-wide strike.

The strike of cattle handlers at the stock yards was broken today, employers claimed, by hiring strike breakers.

## MUST HAVE SEARCH WARRANT TO HUNT FOR MOONSHINE

ST. PAUL MAN DISCHARGED WHO  
PROVED OFFICERS WERE  
WITHOUT WARRANT

(United Press)

St. Paul, May 4—Herman Falkenberg was permitted to take his moonshine home today when Judge Hafner dismissed charges against him.

Falkenberg was arrested by a detective and four prohibition agents in a raid on his home. They confiscated seven gallons of home brew and 35 gallons of home made wine.

In court the defendant proved that agents had no search warrant and charged that they entered his home illegally. The court agreed and Falkenberg went home with his liquor.

## TODAY IN CONGRESS

HOUSE

Bergdoll committee cross questions Samuel T. Ansell, one of Bergdoll's lawyers.

Banker and current committee considers bill to abolish the office of the comptroller of currency.

Hearing on packer control legislation continued before the ways and means committee.

Rules committee considers resolution for a joint house and senate inquiry into the agricultural situation.

Interstate commerce subcommittee continues hearing on war risk insurance legislation.

Naval affairs committee considers legislative program of the session.

Appropriation committee holds hearing on deficiency bill.

SENATE

Senator McCumber, republican, and Senator Simmons, democrat, to open debate on the emergency tariff bill.

Small Joys Always Best.

Little joys refresh us constantly, like household and never being disgruntled; great ones, like sugar-bread, briefly, and then satiety.—Richter.

## Delay Consideration of Disarmament Hearings

(United Press)

Washington, May 4—President Harding today won the consent of house leaders to delay action on disarmament hearings on the Rogers resolution pending in congress.

Proposed hearings on the Rogers resolution which proposed an international disarmament conference will be called off as a result of the agreement between the president and sponsors of the resolution, who will make no attempt to push it until the president is ready.

## Borah Offers Resolution

Despite the announcement of Harding's position, Senator Borah of Idaho, today offered in the senate his resolution authorizing and directing the president to call a naval disarmament conference to be participated in by the United States, Great Britain and Japan.

Borah, when he put in his resolution, filed a formal notice with the senate that when the naval appropriation bill is up for debate he will move suspension of the rules to permit him to offer the resolution as an amendment.

Administration forces in the senate will oppose the measure and probably will be able to prevent Borah obtaining suspension of the rules.

## \$9,000 in Stolen Bonds Recovered

(By United Press)

St. Paul, May 4—Negotiable bonds worth \$9,000 stolen from the City Bank of St. Paul March 29, were recovered by police today. It was part of a \$51,000 loot.

The bonds were found in a manhole. Children noticed the papers and told their parents. Detectives climbed into the sewer and recovered the papers.

## Indictments Against Draft Slackers Are Quashed

(By United Press)

New York, May 4—District Attorney W. Ross today submitted to Federal Judge Chatfield a list of 106 names of alleged draft slackers whose indictments are quashed.

Ross said it had been found the names of these men had been put on the draft slacker list by mistake. Many of them were actually in army and navy service by enlistment at the time they were supposed to fill out the questionnaires.

Ross' action today was taken by direction of Attorney General Daugherty.

## Young Broker Is Arrested for Forgery

(United Press)

Minneapolis, May 4—John L. Carlton, young broker, was under arrest today following irregularities amounting to \$4,000, his employers said they found on his books.

Carlton was arraigned on charges of forgery. He was held to the grand jury under \$3,000 bonds.

## GARY, IND., STEEL WORKERS WAGES CUT 20 PER CENT

MEN ACCEPTED REDUCTION WITH  
HARDLY A MURMUR—EXPECT  
MORE WORK

(By United Press)

Gary, Indiana, May 4—Steelworkers, pinched by hard times, accepted a 20 per cent slash in wages without hardly a murmur today.

Employees who participated in the pitched steel war of 1919, were docile today when notified that their pay envelopes would contain one-fifth less starting May 15.

Notification of the cut here followed the announcement made in New York by Judge Elbert H. Gary, head of the United States steel corporation.

The men who have been working from one to four days a week for the last five months, saw in the wage reduction steady employment and hence larger earnings.

Workers in Gary are not versed in the niceties of economy. Sixty per cent of them are foreign born. There is for them the simple bread and butter economy.

LORD EDMUND TALBOT

Lord Edmund Talbot, brother of the duke of Norfolk, has been appointed viceroy of Ireland. He is a Roman Catholic and enjoys the distinction of being the first Catholic viceroy ever appointed for Ireland.

## GRAIN EXCHANGE BILL RECOMMENDED

THE HOUSE COMMITTEE ADOPTS  
AMENDMENTS PROPOSED BY  
MINNEAPOLITAN

Washington, May 3—The house committee on agriculture favorably reported the Tinchler bill to regulate grain exchanges. Material amendments have been made to the original measure, some of them in line with objections made by F. B. Wells of Minneapolis and others in accordance with suggestions by Secretary of Agriculture Henry C. Wallace at a meeting of the committee Monday.

The bill levies a tax of 20 cents a bushel on "privileges," "bids," "offers," "puts and calls," "indemnities" and "ups and downs." There is a 20 cent tax on every sale for future delivery except where the seller is the actual owner of the grain or the grower, or renter of land on which the grain is grown, or is a co-operative association with either of these qualifications. Another exception is where such contract is made by a member of a grain exchange, which has been designated by the secretary of agriculture as a "contract market," such member to keep a record of all transactions for three years long, if required by the secretary. Co-operative organizations are to be admitted to exchanges, and the power of investigation is given the secretary of agriculture.

## Prima Donna Has Bow Legs Broken To Straighten Them

(By United Press)

Chicago, May 4—Short skirts and bowed legs make a poor combination. So Mrs. Edna Hodges, wife of Jimmy Hodges, and prima donna in her husband's musical comedy, is having her legs straightened. Her legs were broken by Dr. Max Thorek at the American hospital here.

For six weeks Mrs. Hodges will be forced to stay in bed and another two weeks will have to be spent in a wheel chair.

## Dalton Jury Disagrees

(United Press)

Chicago, May 4—The jury in the case of Willie Dalton, 17-year-old employee of the Northern Trust company who walked out of the bank with \$772,000 in liberty bonds, reported a disagreement today and was discharged.

The jury had been out from 1 P. M. Tuesday. It was understood the jury was evenly divided.

## Apply For Permission To Prospect For Gold

St. Paul, May 4—Four Minneapolis men yesterday made applications to the state for permission to prospect for gold on the Minnesota iron range. They said traces of gold had been discovered in St. Louis county near Glenn and Cook. Their names were withheld. It is the first time an application of this kind has been filed in Minnesota.

## ALLIES PREPARED TO SUBMIT FINAL DEMAND GERMANS

SUM TO BE PAID IS \$33,750,000,000  
BY MIDNIGHT OF MAY 12, TO  
AVOID INVASION

ED. L. KEEN

(United Press Staff Correspondent)

Final ultimatum: Allies demand \$33,750,000,000 present value.

Payment: Three classes of gold bonds bearing five per cent interest. One issue to be delivered July 1, the second in November and the third as an allied commission believes desirable.

German export taxes: Twenty-five or twenty-six per cent, expecting to yield \$5,000,000 a year.

Germany to make annual payments of \$500,000,000 and to pay \$250,000,000 within three months.

Penalty: Invasion of the Ruhr district with gradual increasing pressure, possibly a naval demonstration before German ports.

London, May 4—The allies today prepared to submit a final proposal to Germany for settlement of the world war.

With a demand that Germany pay \$33,750,000,000 to the allied countries, the supreme council notified Berlin that penalties will be exacted if the terms are not accepted at midnight of a certain day believed to be May 12.

The supreme council's note providing for payment of the debt by bond issue and exacting an export tax, was to be transmitted to Berlin by the allied reparations commission which conferred with the supreme council today.

It was reported that Germany had submitted an offer approximating the allied demand. This was denied by the foreign office. The report was characterized as "German invention."

## Believe Germany Will Yield

Berlin, May 4—Germany will yield to the allied indemnity demand before submitting to further invasion, it was believed in well informed circles today.

If the present government will not sign, a government will be found which will sign. There were numerous declarations that Germany will reject the reparations demand. Her capitalists were among those determined to refuse to pay. Hugo Stinnes, recognized as a real leader of this faction, was reported to have been approached by agents who questioned him as to his attitude on the threatened invasion of the Ruhr valley. Stinnes was said to have rebuffed the agents with the assertion, "You will have to come and see me later. Anyway, you will find that American coal will put the Ruhr mines out of business just as they have the Saar coal. You may make a beggar of me but you will come to me later nevertheless."

## Riot in Upper Silesia

Berlin, May 4—Seventeen persons were killed at Antonschuetz, Upper Silesia, yesterday by Polish rioters, according to reports here today. The district was said to have been quieted by Italian troops, who suffered some casualties.

The disturbance grew out of a false report that certain portions of Upper Silesia had been awarded to Poland by the allied supreme council.

## N. D. Grain Law Cannot be Enforced

St. Paul, May 4—The North Dakota grain grading law passed by the 1919 legislature cannot be enforced under a ruling of the United States district court of appeals.

Judge John E. Garland of Washington, sitting here, reversed a decision of Federal Judge Chas. F. Amidon of Fargo. Judge Amidon had dismissed an order for an injunction to restrain the state from enforcing the law. The Farmers' Grain company of Amden, N. D., were plaintiffs.

The case is returned to the lower court with the instruction to issue a permanent injunction restraining the state authorities from interfering with the Farmers' Grain company which refused to take out a license under the law. The state district court will appeal the case.

## THE WEATHER

Forecast for next 24 hours:  
Minnesota—Fair tonight and  
probably Thursday slightly  
warmer in the west portion to-  
night.

## MAYOR F. E. LITTLE ADDRESSES COUNCIL

Congratulates Councilmen Newly Elected to Positions of Honor and Responsibility

### HE ASSURES HIS COOPERATION

Speaks of New Water Supply, Paving, General Sewer and Other Matters

In his address to the new council Tuesday evening, Mayor F. E. Little said:

"Since the majority of this council continue in office there is no real necessity for a communication from the mayor. However I wish to congratulate you who have been elected recently to your position of honor and responsibility, to wish this council every success in their efforts to carry on the notable work of your predecessors and to advance the best interests of this city and its citizens. In this you will receive my close cooperation. Your duties will require your careful consideration and I wish to call your attention to a few of the many problems with which you must deal.

#### New Water Supply

"You will soon be requested to accept the major parts of the new water supply and I would suggest that you continue to take counsel with the Water and Light board. Familiarize yourselves with the situation so that your decisions may be a credit to yourselves and for the best interests of the city you represent.

#### Selling Electric Fixtures

"I am informed that the Water and Light board is establishing a supply department for the sale of electrical and water fixtures and appliances at practically cost to the public, which will result in a saving to the citizens of Brainerd. In this work, worthy of praise, I believe, your cooperation should be extended. The relationship, however, between the council and the board should be placed upon

such lasting business basis as would be suggested considering the magnitude of the business now being conducted by the board.

#### Paving Projects

"During the summer of 1930 great progress was made in street paving, some of which was not completed and is now under construction. Your close attention should be given to the financing of this work, especially where refunds under the Babcock Amendment are possible.

"There are two main thoroughfares which should be paved as soon as your finances permit, namely, South Sixth street and Laurel street, west of Fifth street, as well as those unpaved streets in the main business district.

"The paving constructed during the past two years has been very satisfactory but constant attention is necessary in order that these streets may be kept in good repair. At the present time many of the paved streets are in need of such repair and economy would suggest that this work be done as soon as possible.

#### General Sewer

"The voters of this city have at the recent election directed you to use every effort to remedy the unhealthful situation caused by the present condition of the general sewer. The necessity of a new construction is certain and I wish to urge your prompt action to the end that this improvement may be made as soon as possible.

#### City Improvements

"I believe the city of Brainerd and its various departments should make all improvements permitted by their finances at this time when labor is available and when it would benefit the unemployed who are willing to work and are in need.

#### Long Council Hours

"The long council hours have been at times tiresome and I would recommend that the hour of meeting be more strictly recognized and that committee work be further developed. If problems were immediately referred to the respective committees for thorough investigation and definite recommendation, even greater results could be obtained by this council.

On Recommending Economy

"To this council composed mostly of members who have served during that period when so much real work has been accomplished there is no need to recommend economy commensurate with the needs, only to remind you of the value of cooperation between yourselves and the various departments of the city. With harmony prevailing in all, the greatest good for Brainerd can be accomplished. I wish to again renew my pledge with you to the end that our best efforts may be a service to this city."

The mayor then named his appointments which were confirmed by the council.

#### W. B. A. Club Meeting

On Thursday of next week, May 12th, the Women's Benefit Association will be entertained by Mrs. Ed. Wolfert, Mrs. J. Prickett and Mrs. W. F. Dieckhaus at the home of the latter, 411 North Broadway.

All members and their friends are most cordially invited to attend these club meetings and it is to be hoped that the meeting next week will be very well attended.

#### Clara Lutheran Aid

The Ladies Aid of the Clara Lutheran church will meet in the church basement Thursday afternoon at 2:30 o'clock, and will be entertained by Mrs. C. Gustafson and Mrs. R. Bourquin. Every one is welcome.

#### Kerben-Montgomery

Max Edward Kerben and Miss Grace Anna Montgomery were united in marriage Wednesday morning at the First Presbyterian church manse, Rev. S. M. Kelly officiating. Lewis Montgomery and Miss Flora Montgomery, brother and sister of the bride, were the attendants.

#### GO NO FARTHER

##### The Evidence Is at Your Door

Brainerd proof is what you want and the statement of this highly respected resident will banish all doubt:

I. E. Bunnell, carpenter, says: "I can certainly say Doan's Kidney Pills are as advertised. I have used them whenever my kidneys have been acting irregularly and they have always done good work. Sometimes my back has been lame and I haven't been able to get around to do my work. Sharp pains have caught me in my left hip and across my back. My kidneys haven't acted freely and the secretions have been burning. I have always used Doan's Kidney Pills when those attacks have come on and they have soon had me feeling all right."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bunnell had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

## Tooth Talk on Brushes

Don't use that old tooth brush too long. Remember it is used to clean your mouth and your teeth. It accumulates the dirt removed therefrom. It looks all right, but it isn't safe to use after two or three weeks. It's too cheap to cling onto and it is vitally necessary that you continually use a new one. Come and see the new line of tooth brushes we sell. Every size is represented. Many of the newest shapes approved by dentists. Prices are particularly low and we can assure you the qualities are particularly high.

## RECHARGING YOUR BATTERY

Dr. George W. Crile, addressing a medical society at Baltimore, advanced the plausible theory that the body is an electro-chemical mechanism, consisting of a system of batteries. Every cell, he explained, is an electrical battery, playing a part in the complex system. It has its difference of potential much like the battery of the electric flash lamp, and this difference must be preserved in order that the human organism may function. Death comes, he says, when the difference of potential is lost—when the battery is wholly exhausted.

Sleep is the principal period of recharging. It is comparable to the charging of an automobile battery over night.

This theory is easily carried out in practical and useful detail. Thus, anyone may figure out for himself that in addition to sleep, there are three other important means of recharging the physical battery—food, air and sunshine. Sleep is most important, but the rest are essential, too.

Of the whole four, sunshine is perhaps the revivifying force that receives least attention. Its importance may be realized easily and forcibly if anyone will experiment a little with Dr. Crile's theory in mind.

When you feel nervously exhausted, go and bask in the sun for two or three hours—preferably in a bathing suit or some other costume that gives the sunlight easy access to the body—and then observe the result. Some who have tried it say they can actually feel the energy pouring into them. And why not? The sun is the great electric dynamo of our world, and the source of all the energy on this earth, and its restorative currents can be caught and utilized directly by anyone who will take the trouble.

"Why don't some of these interviewers ask Prof. Einstein whether he understands the Irish question?" asks the Columbia (S. C.) Record. What's the use? He'd simply answer "Yes—relatively."

Statesmen come and statesmen go, but Lloyd George goes on forever.

Ambassador Harvey says he's learning not to talk. "How about writing?" asks a democrat.

SCHOOL BOARD IS  
NEWLY ORGANIZED

Four New Members Take Their Seats,  
George D. LaBar Is Elected President of Board

LOUIS F. HOHMAN IS SECRETARY

Board Retains Foss & Foss of St. Cloud as Architects to Draw Mill School Plans

The new school board met on Tuesday evening and organized. Officers elected were:

President—George D. LaBar.  
 Vice President—W. T. McCloskey.  
 Secretary—Louis F. Hohman.  
 Treasurer—M. E. Morrison.  
 Bonds of the treasurer were fixed at \$20,000.

The following tabulation shows the old board and the new board, as follows:

**Old School Board**  
 1st ward—R. R. Wise, L. F. Hohman.  
 Second ward—George D. LaBar, Mrs. W. H. Gemmell.  
 Third ward—Hugo A. Aatz, S. A. Stanley.  
 Fourth ward—S. E. Hagbretson, W. T. McCloskey.  
 Fifth ward—Rev. E. G. Carlson, M. E. Morrison.

**New School Board**  
 First ward—Fred Drexler, 4 years, L. F. Hohman, 2 years.  
 Second ward—George D. LaBar, 4 years, Mrs. W. H. Gemmell, 2 years.  
 Third ward—Elmer Dahl, 4 years, S. A. Stanley, 2 years.  
 Fourth ward—Mrs. Harry Anderson, 4 years, W. T. McCloskey, 2 years.  
 Fifth ward—F. M. Hagberg, 4 years, M. E. Morrison, 2 years.

At the special meeting Monday afternoon and at the last meeting of the old board on Monday evening, Foss & Foss of St. Cloud were named architects for the new mill school in Northeast Brainerd. They are to submit further plans and specifications within 10 days. Other business transacted was of a routine nature.

## At the New Park Tonight

Mildred Harris—Mrs. Charlie Chaplin—strikes a new note in the range of her artistry in "Forbidden." Her first Jewel production since "Home." She is first seen as a simple-minded country girl engaged to a bucolic swain. Then like an answer to her prayers comes Fred Worthington—handsome, wealthy, refined. But he is surfeited with the captivities of the endless round of

metropolitan pleasures while she craves it with all her soul. The entrancing story of their efforts to meet a common ground of understanding is told in "Forbidden," the latest Universal Jewel release, produced by Lois Weber at the Universal studios. Miss Mildred Harris, is the star. "Forbidden" is the attraction at the New Park tonight.

"Parlor, Bedroom and Bath"  
At the Lyceum

"Parlor, Bedroom and Bath," the screen farce which sets forth the tribulations and misadventures of a model husband who won his wife under a false pretense of devilishness, is scheduled for its first local showing tonight and Thursday at the Lyceum theatre.

For one of the longest and most hilarious seasons a comedy has ever known, "Parlor, Bedroom and Bath," written by C. W. Bell and Mark Swann, and produced in the theatre by A. H. Woods, convulsed New York; and those who have had the opportunity of seeing pre-release showings of the production in pictures, with an all-star cast, assert that the play has gained rather than lost in hilarity in the translation to the silver sheet.

The situation—or at least the central situation, for there are any number of them—deals with Reggie Irving who for many years has sought to win Angelica. This young woman wanted a man just the opposite of what her own name implied. She wanted a wid one, and since Reggie had no idea of how to be

## NEW COUNCIL WAS ORGANIZED TUESDAY

Three New Councilmen, Aldermen Bukowski, Quanstrom and Holmstrom Take Their Seats

### CONFIRM MAYORS APPOINTMENT

Carl Zappfe Re-appointed on Water and Light Board, Geo. W. Grewcox New City Clerk

All members of the council were present at the first session of the new council Tuesday evening.

#### Old Council Members

1st ward—W. J. Lyons, J. W. Witham.

2nd ward—F. M. Koop, H. F. Michael.

3rd ward—J. H. Strickler, W. C. Rasch.

4th ward—Andrew Anderson, John Holvick.

5th ward—Otto L. Cordes, Emil A. Huggahl.

#### New Council Members

1st ward—W. J. Lyons, 2 years, J. W. Witham 4 years.

2nd ward—F. M. Koop, 2 years, H. F. Michael, 4 years.

3rd ward—J. H. Strickler, 2 years, Carl Bukowski, 4 years.

4th ward—Andrew Anderson, 2 years, V. E. Quanstrom, 4 years.

5th ward—Otto L. Cordes, 2 years, C. G. Holmstrom, 4 years.

#### President of Council

Nominations for president of the council were declared open.

Alderman Bukowski nominated Alderman J. H. Strickler.

Alderman Lyons nominated Alderman Anderson. No other nominations were made.

On the first ballot Strickler scored 5 and Anderson 5. Mayor F. E. Little cast the deciding vote for Alderman Strickler.

#### Vice President of Council

Alderman Koop nominated Alderman Michael for vice president of the council. There was no opposition and on motion of Alderman Anderson and Lyons carried, the chairman cast the unanimous vote of the council for Alderman Michael as vice president.

#### Contest for City Clerk

For city clerk there were three applicants, Harry Hedlund, O. J. Bouma and George W. Grewcox.

The first ballot, informal, was taken on motion of Alderman Lyons and Bukowski, and registered Grewcox 5, Bouma 3, Hedlund 2.

On the formal ballot the vote stood Grewcox 6, Hedlund 2, Bouma 2, and Mr. Grewcox was declared elected.

#### Fire Chief

On motion of Alderman Lyons and Cordes, carried, the unanimous vote of the council was cast for H. McGinn, re-elected fire chief.

Applications of James Buley, Fred A. Reinhardt and MacNeil McCulloch for fire truck drivers, were read.

On motion of Alderman Michael and Holmstrom, carried, the applications are to be referred to the new fire committee for recommendations to the council. The applicants are all candidates for re-election.

#### Overlapping of Committees

Alderman Michael called attention to the overlapping of committees, there being more than one committee drawing from a certain fund. He wanted the committees to harmonize.

with the various funds as much as possible.

#### City Engineer

City Engineer R. T. Campbell was unanimously re-elected, the vote being so cast on motion of Alderman Lyons and Cordes, carried.

#### Street Paving

For paving South Seventh street from Front to Laurel and Laurel from 7th to 8th streets, the bid of Ostrand & Hallett of Crosby was accepted subject to the approval of the city engineer to reliability of contractors and city attorney as to bonds.

#### Crosswalk Paving

On motion of Alderman Michael and Holmstrom, carried, that portion of the street used as a sidewalk at the intersection of Front and 7th streets and of Laurel and 8th streets is to be paved.

#### Sanitary Police

B. E. Koerber was re-appointed sanitary police on motion of Alderman Lyons and Holmstrom, carried.

#### City Deposits

On motion of Alderman Michael and Anderson, carried, the city clerk is to advertise for bids for city deposits as specified by the city charter.

#### Health Officer

On motion of Alderman Michael and Anderson, carried, appointment of the health officer was delayed until a new health committee is named and makes its report.

#### City Weighmaster

On motion of Alderman Anderson and Quanstrom, carried, the matter of the city weighmaster was referred to the city attorney to report at the next meeting.

#### Mayor's Message

Mayor F. E. Little read his message to the council and the appointments made were confirmed by the council on motion of Alderman Anderson and Cordes, carried.

The message is given in full in another column.

#### Mayor's Appointments

Water and light board, Carl Zappfe.

Park board, S. R. Adair.

Library board, Mrs. Adeline Smiley, J. A. Wilson and Rev. Fred Ervington.

Police department, Chief Charles H. Varner, Captain Erick Graff, Patrolman Oscar Riesberg.

The mayor recommended Henry Abrahamson as regular traffic policeman.

On motion of Alderman Michael and Quanstrom, carried, Mr. Abrahamson was appointed regular traffic officer with a patrolman's rate of pay.

#### "Ascension Day"

At Evangelical Lutheran church, corner Main and Broadway.

F. C. Rathert, pastor, will officiate Thursday on Ascension Day.

Special divine services at 8 o'clock p. m.

#### Notice to Yeomen

The regular meeting of B. A. Y. Brainerd Homestead No. 602 will be held at Elks hall Wednesday evening, May 4. Refreshments and dancing after the meeting. A large attendance is desired.

#### NOTICE

Regular meeting of Div. No. 1 L. A. A. O. H. at K. C. hall, Thursday evening, May 5th, 8 p. m.

## JACK AHO IN A CROSSING ACCIDENT

While Driving His Car Across Tracks to Northern Pacific Hospital is Struck by Flier

### BELIEVED FATALLY INJURED

Happened at 7 O'Clock Tuesday Evening, Car Smashed and Thrown 20 Feet from Track

While driving over the railway crossing to the Northern Pacific hospital, Jacob, also known as Jack Aho, was struck by the Staples-Duluth flier at 7 o'clock Tuesday evening and was so badly wounded that his injuries may prove fatal.

The engine struck the car in the center, turned it clear around and flung the Ford 20 feet clear of the tracks. The train was stopped and Aho picked up and taken to the hospital where it was found his arm was broken and that he probably had concussion of the brain. He has been practically unconscious since the accident.

Aho is about 24 years old and married. His wife left the hospital only a short time ago, having recently recovered from illness. The car Aho was driving belonged to his friend, Andrew Aro.

In driving to the hospital the power house of the hospital conceals a direct view of the track. Aho was so badly hurt he could not give his account as to how it happened.

#### Postponed

The public speaking class will not meet on Friday, May 5, on account of the benefit matinee at the Lyceum for the League of Women Voters and the Community Council. The next meeting will be May 12th.

#### Mormon Missionaries in City

Two Mormon missionaries, Elder Lowell A. Dalley and Elder Robert J. Crawford, are in the city, and will hold meetings indoors and on the streets to propagate their peculiar doctrines.

#### Notice Golfers

Meeting tonight at Chamber of Commerce of all those interested in organizing Golf Club for Brainerd. It

#### MUNICIPAL COURT

Three Cases Heard by Judge L. B. Kinder, One by Judge Walter F. Wieland

Three cases following were heard in municipal court by Judge L. B. Kinder:

William Shelhorn, charged with auto speeding, was fined \$10. Sentence was suspended for five months.

Carence Finne, charged with disorderly conduct, pleaded guilty, was fined \$10 which he paid.

Roy Kuehmichael, charged with auto speeding, pleaded guilty, was fined \$10 which he paid.

Joseph Paht, charged with petit larceny, pleaded guilty, and was sentenced to 20 days at hard labor. This case was heard by Judge Walter F. Wieland.

## \$15 FOR BEST NAME FOR SODA WATER

Brainerd Bottling Works will pay \$15.00 to the person suggesting the best name for our Soda Water. We are now manufacturing and bottling the flavors named below. We are using selected flavors only, best of cane sugar and pure artesian well water in making our goods. Our Soda Water is sold in every soft drink parlor in the city and a large surrounding territory. We want everybody to send us their suggestion. Now let's go—Who has the best name to offer? Make it short and snappy. More than one name can be submitted.

Mail your suggestions so they will reach our office by May 10th.

## Gilt Edge Paint

Sweeney Says:-

It Pays to Paint

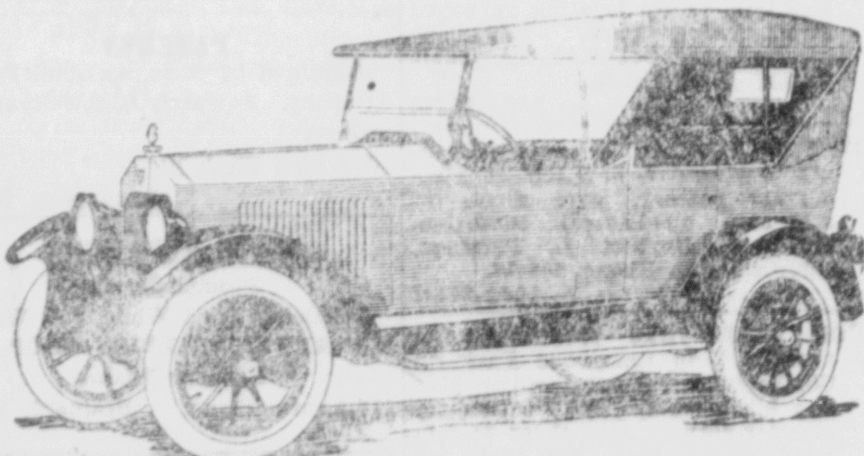

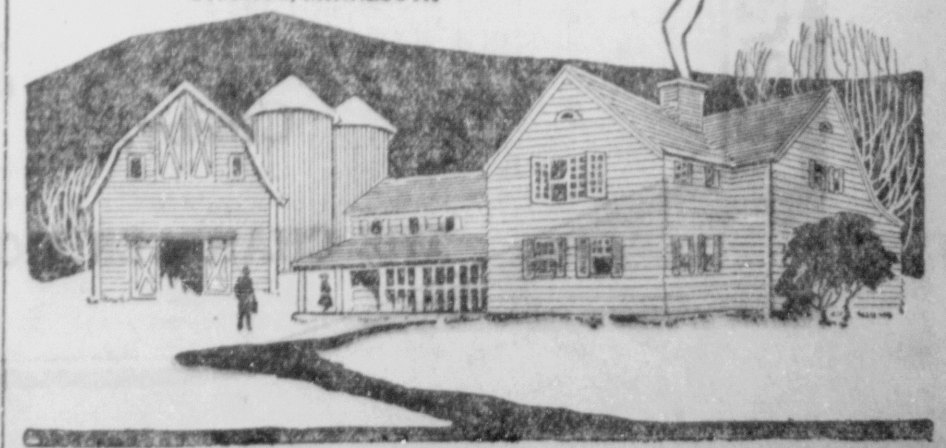

PAINT itself costs little but it pays big in cutting down repair bills, increasing property value and giving you the solid satisfaction of owning buildings that are a pride to the community. Paint your old buildings as well as your new with Gilt Edge Paint. Northwest farmers have relied upon Gilt Edge Paint for 22 years. It is a special Northwest paint, made to withstand our severe climate. Pure white lead, zinc and imported French ochres give it greater covering capacity and economy than ordinary paint.

Get acquainted with the Gilt Edge dealer near you. Ask him about Gilt Edge unadulterated House Paint and Gilt Edge special Barn Paint. Let your wife talk to him about Vel-Vet Wall Finish and Glazine Floor Finish. Remember: For every job, inside or out—there's a Gilt Edge Paint that's right.

## N. D. Federation Protests Sales Tax

(United Press)  
 Fargo, May 4—Resolutions demanding amnesty for political prisoners and protests against the proposed sales tax now in congress, were adopted Tuesday by the North Dakota Federation of Labor.

Resolutions protesting against the passage of the naval bill and denouncing the proposed repeal of the excessive profits tax was adopted. It also endorsed a campaign for funds to protect the Nonpartisan League officials from recall. The \$6,000,000 bond issue of the bank of North Dakota was also endorsed.

## Save Grain Growers \$9,000,000 Annually

(United Press)  
 St. Paul, May 4—Grain growers of the United States can save \$9,000,000 annually when the United States grain growers corporation is fully or-

ganized, President J. R. Howard, of the American Farm Bureau federation, said today.  
 All officials were to attend a meeting of the state bureau federation and labor organization of the grain grower corporation.

## Gets Prize For Best Story

(United Press)  
 St. Paul, May 4—The Springfield, Minn., Advance-Press, has been awarded the fifty dollar prize for the best story of the Minnesota Editorial association state meeting, held here in February. The prize was offered by the St. Paul association.

**Mistletoe Differs.**  
 The American mistletoe differs from the English mistletoe in the independence of the sexes. In the European the male and female flowers grow upon the same plant, hence berries may be found on every plant. In America each sex labors for itself, and grows on separate plants; hence there are many plants barren so far as berries are concerned.

# CHANDLER SIX

Famous For Its Marvelous Motor

## High Quality at Low Price Has Put Chandler in First Place

WHAT are you going to drive this year, and for several years to come? We want to tell you why it should be a Chandler.

There are a hundred thousand Chandlers on the road now. From a modest beginning eight years ago, but with the pioneer idea of a six to sell for less than two thousand dollars and with a really good car and an organization that knows how to build good cars, the Chandler has gone steadily into a position of leadership.

### Chandler Stands Apart, Free From Keen Competition

AND 1921 will be no exception in Chandler progress. For the Chandler never occupied a more distinctive position than it does today. Chandler price sets the Chandler apart from competition.

### Price Always Kept Low and the Reasons Why

THE Chandler price has always been kept low without sacrifice of quality. This has been made possible by the most efficient management, the most modern factory and the highest financial credit with sources of supply, together with the fact that we have always built one chassis, developed and refined as the years have passed, but never abandoned, because constantly more popular.

Chandler resale value is relatively higher than that of any car, after a like period of service.

### The Chandler Offers You Unmatched Value

THE Chandler motor, which, in the early days, was named "The Marvelous Motor" by Chandler owners, has always been thought of as the prime feature of the Chandler car, and it probably is. But all the other units and equipment of the

## \$1930

### Cord Tires Standard Equipment

Chandler chassis are of the same high quality, the same splendid character of design. The whole chassis is of fine, sturdy construction.

The motor has won supremacy in its constant performance in the hands of its owners. It has a dependability of service under any and all conditions that not many other cars can show.

### Distinguished Chandler Motor Features

AMONG distinctive motor features are the solid cast aluminum motor base, extending from frame to frame, the magneto equipment, the heavy counter-balanced crankshaft, extra large bearings, silent chain drive for auxiliary motor shafts, the combination manifold and a cooling system which makes it impossible for the motor to overheat if there is water in the radiator and oil in the crankcase.

### Importance and Superiority of Magneto Ignition

CHANDLER ignition is supplied by the Bosch High Tension Magneto, as it always has been. Many high-priced American cars and all foreign cars are magneto-equipped. The great majority of trucks are magneto-equipped. Practically all airplanes and motor-driven fire apparatus and nearly one hundred per cent of all farm tractors have magnetos. The fastest racing records have been made by magneto-equipped cars.

There is no question as to the marked superiority of magneto equip-

ment. We could make a very considerable saving by the use of the battery-distributor system, which is called upon to start the starter, blow the horn, light the lamps and furnish the ignition; but the greater efficiency of the magneto more than compensates for the added cost.

The magneto gives the Chandler motor a hotter, fatter spark, igniting the gas quickly and completely, and its simplicity of wiring and absolute dependability make it the ideal ignition equipment.

### A Wide Choice of Beautiful Comfortable Bodies

CHANDLER bodies are most pleasing. The big seven-passenger touring car is the leader perhaps, but the snappy, sporty four-passenger Dispatch car, the lithe, marine-gray two-passenger roadster, and the chummy four-passenger roadster, have their own large followings. All four of these models are upholstered in genuine hand-buffed leather and softly cushioned.

Thousands have chosen the Chandler sedan and the coupe as their all-season cars and found them ideal in any weather. They are of beautiful design, and, which is equally important, they are substantially built. The upholstery is of silk velour and the interior fittings in dull silver finish.

The Chandler limousine is of striking appeal to those desiring a chauffeur driven car.

### Stability and Responsibility Back of the Chandler

STANDING back of the Chandler car, and responsible for its honest quality, is one of the notably strong organizations of the motor car industry.

You will find an uncommon degree of satisfaction in the ownership of a Chandler car.

## The Most Fairly Priced Fine Car
